Dear Sir,

As an innovative and solution-focused UX Designer with a proven history of UI/UX Design, I am excited to submit my application for the UX Design position with your company.

Over the past 20 years, I have designed and delivered highly interactive, user-centric interfaces with focus on usability, usefulness, and desirability. Currently, as UX Team Leader for IPA. I lead a team of designers who manage 25+ front-end projects, delivering innovative concepts, wireframes, low and high-fidelity prototypes, and engaging user experiences. Below is a snapshot of my key strength and achievements.

I Created full web sites user journey from sketching to final UI design. Including all UX process and UI design tools.

It would be a pleasure to learn more about your company needs, and I would welcome the chance to provide further into my technical abilities and personal attributes. Thank you for considering my candidacy for this position. I hope to hear from you soon.

Sincerely,
Sameh Hamdi
